

**GMEE2018 sincerely invites you to participate in this
academic conference**

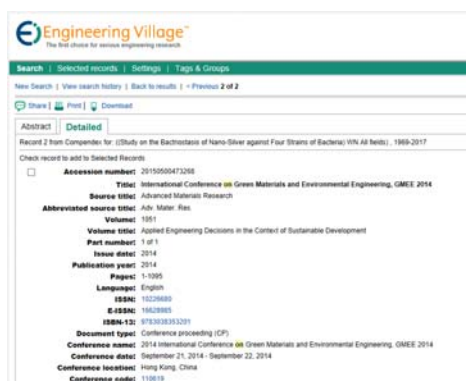

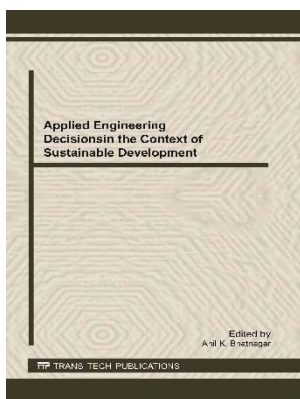

Introduction For GMEE2018

GMEE2018- the 2018 4th International Conference on Green Materials and Environmental Engineering is going to be held **on October 28-29, 2018 in Beijing, China**. The conference will focus on the academic researches and findings on the fields of Green Materials and Environmental Engineering. The attendees will be scholars, experts, engineers, students or teachers etc. from all over the world. Hope you can join the conference quickly.

About Previous GMEE

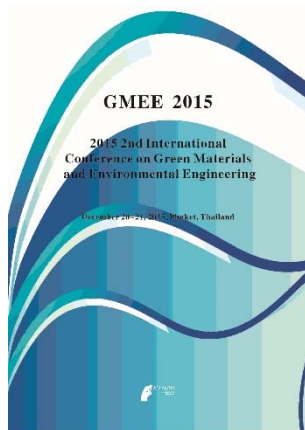

The First GMEE

The First GMEE has been held during September 21 and 22, 2014 in Hong Kong. The proceedings has been successfully indexed by EI Compindex.

The Second GMEE

The Second GMEE has been held during December 20-21, 2015 in Phuket, Thailand. The proceedings has been successfully indexed by CPCI-S.

The Third GMEE

The Third GMEE has been held during October 22-23, 2017 in Beijing, China. The proceedings has been successfully indexed by CPCI-S.

Publishing and Indexing Information

All accepted papers will be published in the conference proceedings of GMEE2018. The proceedings will be published on **the Journal of Environment, Energy and Earth Sciences (ISSN: 2475-8833)**. Then, the publisher will submit all the accepted papers to be indexed in **El Compendex, Thomson Reuters Web of Science CPCI-S (ISTP indexing) and CNKI Scholar** for worldwide online citation.

Submission Information

Please submit your papers on Green Materials and Environmental Engineering to mailbox: **sub@gmee2018.org or gmee2018@sina.com**.

GMEE2018 conference expects your paper submission!

Tips: You can go to visit the conference website: **www.gmee2018.org** for further consulting. Or you can call +86-18271947168.
